Guidelines for Contributors

Zeitschrift Schreiben *welcomes unpublished original manuscripts relevant to the theory and practice of writing or with a major concern for writing in its various didactic contexts.*

The editorial committee decides whether to accept a paper on the basis of an external anonymous peer review procedure.

Manuscripts are accepted in both German and English.

If you are interested in submitting an article for the online journal, please send your manuscript (preferably as a Word document) at any time to redaktion@zeitschrift-schreiben.eu.

Size of the paper

15'000–20'000 characters.

Abstract

Please include an abstract of 100–150 words, which conveys the paper's main points of your research and outlines the results or conclusions.

Formatting

Please use as little formatting as possible:

- only one type face and font size (e.g. Arial 10)
- no blank lines between paragraphs

References and Citations according to The Chicago Manual of Style (16th ed.)

Quotes in the text must be enclosed within «quotation marks» and identified by brief parenthetical references: (Author's Name Year, pages)

If your text gives the author's name, provide only page numbers in parentheses.

Titles of individual works (stand-alone publications) like books, journals, periodicals or films are *italicized*.

All references in the text must clearly point to specific sources in the bibliography.
